WINTER HOMEOWNER CHECKLIST

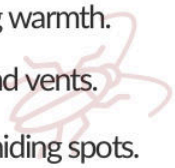

For Your Home

- [ ] Seal windows and doors to keep warm air in and drafts out.
- [ ] Check siding, fences, and gutters for damage after fall storms.
- [ ] Clean gutters and add guards to prevent clogs.
- [ ] Upgrade outdoor lighting for safer, clearer winter nights.
- [ ] Improve visibility and peace of mind with a smart home doorbell.

For Pest Prevention

- [ ] Inspect firewood and outdoor wood for signs of termites or pests.
- [ ] Inspect garage door seals to prevent wildlife from seeking warmth.
- [ ] Seal possible rodent entry points around exterior pipes and vents.
- [ ] Clear weeds and brush near your foundation to remove hiding spots.

For a Healthy Lawn

- [ ] Trim dead or weak branches before ice or wind causes breakage.
- [ ] Add 2" of hardwood mulch to insulate garden beds and protect roots.
- [ ] Rake or mulch leaves to recycle nutrients back into your lawn.
- [ ] Apply winter fertilizer in November/December.
- [ ] Apply pre-emergent in February/March.
